Please find attached a Proposed Order To Cease and Desist, Order For Restitution, Order For Administrative Penalties and Consent To Same Re: Arizona Gold Processing, LLC, AZGO, LLC and Charles L. Robertson ("Order").

Respondents offered and sold membership interests in Arizona Gold Processing, LLC and AZGO, LLC from December 2011 until July 23, 2012, when the entities relocated to Las Vegas, Nevada. Mr. Robertson is a resident of Texas.

Respondents, or agents of the Respondents, contacted potential investors nationwide via unsolicited telephone calls. Respondents represented to potential investors that they were in process of establishing a precious metal processing plant using electromagnetic devices. The investors were to be paid from the revenue from the processed precious metals.

The Order requires Respondents to (1) cease and desist from violating the Arizona Securities Act; (b) pay restitution in the principal amount of \$1,142,275.50, plus interest from the date of investment until paid in full for those sales to investors which occurred while the entities were located in Arizona; and (c) pay an administrative penalty in the amount of \$100,000.

The Division believes that the Order is appropriate to protect the public welfare.

I.**FINDINGS OF FACT**

1. ARIZONA GOLD PROCESSING, LLC ("ARIZONA GOLD") was a manager-managed Arizona limited liability company from December 5, 2011, to July 23, 2012. AZGO LLC, was the manager of ARIZONA GOLD. On July 10, 2012, articles of organization filed with the Nevada Secretary of State created Arizona Gold Processing, LLC. On July 23, 2012, ARIZONA GOLD (Arizona) merged with Arizona Gold Processing, LLC (Nevada). The Nevada entity is the surviving entity.

2. AZGO, LLC ("AZGO") was a manager-managed Arizona limited liability company from December 5, 2011, to July 23, 2012. On July 10, 2012, articles of organization filed with the Nevada Secretary of State created AZGO, LLC. On July 23, 2012, AZGO (Arizona) merged with AZGO, LLC (Nevada). The Nevada entity is the surviving entity. AZGO, LLC (Nevada) is manager of the surviving ARIZONA GOLD.

3. CHARLES L. ROBERTSON ("ROBERTSON") is a resident of Texas. ROBERTSON is one of the two managers of AZGO LLC (Arizona). ROBERTSON is the manager of the surviving Nevada entity, AZGO, LLC.

4. ARIZONA GOLD, AZGO and ROBERTSON may be referred to collectively as "Respondents."

5. The private placement memorandum ("PPM") dated December 5, 2011, stated that ARIZONA GOLD was formed "to provide efficient and cost effective ore processing services for local gold and silver placer mines. We intend to acquire equipment and machinery that utilize the latest advances in gold and silver ore processing technologies such as electrostatic separation."

6. The PPM, also stated that ARIZONA GOLD "is offering Units of Class A Preferred Membership Interests (the "Units") in accordance with Section 4(2) and/or Rule 506 of Regulation D promulgated under the Securities Act of 1933, as amended, and applicable state laws that provide an exemption from registration for limited private offerings."

1 7. The PPM discloses that ARIZONA GOLD was not conducting a public offering and
2 that its Units were not available to the general public.

3 8. ARIZONA GOLD sent unsolicited emails seeking investors to a resident of
4 Arizona. In response to one of the unsolicited emails, ARIZONA GOLD was contacted by an
5 Arizona resident ("Offeree"). After a conversation with the Offeree, ROBERTSON provided the
6 offering materials including the PPM and conducted a presentation to the Offeree. The Offeree had
7 no pre-existing business relationship with either of the Respondents, nor was the Offeree
8 accredited.

9 9. The PPM stated:,
10 [ARIZONA GOLD was a] Manager-managed limited liability company
11 (LLC) with two (2) classes of equity ownership:
12 (1) Managing Membership Interest (voting equity); and (2) Preferred
 Membership Interest (non-voting preferred equity with revenue sharing).
 [ARIZONA GOLD's] current sole Managing Member is AZGO LLC, an
 Arizona limited liability company.

13 10. The PPM stated:

14 [ARIZONA GOLD] was formed to provide efficient and cost effective ore
15 processing services for local gold and silver placer mines. We intend to
16 acquire equipment and machinery that utilize the latest advances in gold
 and silver ore processing technologies such as electrostatic separation.

17 The primary objectives of [ARIZONA GOLD] were to:

- 18 • Acquire one or more high tension separators;
- 19 • Place such equipment into operation servicing local active
20 mining operations for gold, silver, and/or other precious
 metals pursuant to contracts; and
- 21 • Distribute [ARIZONA GOLD's] revenue from such
 activities to the Members in accordance with the Operating
 Agreement.

22 11. The offering materials stated that an investor's "ownership interest will be
23 proportionate to the amount invested in the entire gold processing plant. You will receive a Net
Revenue Interest of all of the profits from the processed gold & silver that's sold to the refinery."

24 12. Investors in ARIZONA GOLD would receive a prorata share of seventy percent of
25 the net revenue derived from the ore processing, less actual expenses of ARIZONA GOLD. The
26 remaining thirty percent was to be allocated to AGO LLC.

1 13. The Investment Overview stated:

- 2 • Investment of \$16,750 per unit = (1%). (2 units minimum \$33,500)).
- 3 • 100 Working Interest units available with a 70% Net Revenue Interest of plant
- 4 • profits.
- 5 • Daily production rate at 3 tons a day of gold & silver ore.
- 6 • Projected ROI is 9.6 months.
- 7 • 5 times cash on cash net return on investment.

8 14. The PPM stated that ARIZONA GOLD would distribute its net revenues as follows:

- 9 • First, 100% to the Class A Preferred Members (0% to the Managing
- 10 Member) until the Preferred Members have realized 100% of their
- 11 Capital Contribution;
- 12 • Thereafter, 75% to the Class A Preferred Members (25% to the
- 13 Managing Member) until the Preferred Members have realized 200%
- 14 of their Capital Contribution;
- 15 • Thereafter, 50% to the Class A Preferred Members (50% to the
- 16 Managing Member) until the Preferred Members have realized 500%
- 17 of their Capital Contributions (a "Redemption Event")
- 18 • Upon the occurrence of a Redemption Event (i.e. Preferred Members'
- 19 realizing a 5 to 1 cash on cash return on their Capital Contribution) the
- 20 Preferred Members' Units in the Company shall be automatically
- 21 redeemed in consideration of cash already received at which time their
- 22 Membership Interest in the company shall end.

23 15. The PPM stated, ARIZONA GOLD would waive the automatic redemption event

24 for the first twenty-one Units sold and those investors would be "eligible to continue to receive

25 distributions pro-rata to their membership interest indefinitely for the life" of ARIZONA GOLD.

26 16. The PPM stated that ARIZONA GOLD was managed by its managing member,

27 AZGO LLC, whose principals include ROBERTSON. Further, "[c]ontrol of [ARIZONA GOLD] is

28 vested with the Managing Member." Moreover, "since the Managing Member holds 100% of

29 [ARIZONA GOLD'S] voting equity, the ability of the Preferred Members to exercise any degree

30 of control whatsoever will be severely limited."

31 17. The PPM stated that any investor funds raised by ARIZONA GOLD and

32 ROBERTSON would be used for the "acquisition of equipment, machinery and related assets for

33 processing plant and general working capital."

34 18. ARIZONA GOLD and ROBERTSON provided offering materials to the Offeree

35 that stated ARIZONA GOLD had contracted with a "fully permitted placer mine deposit to provide

1 their ore” for processing by ARIZONA GOLD. The supplier of the ore was also the supplier of the
2 processing equipment ARIZONA GOLD was to purchase to process the ore.

3 19. The offering materials stated that “[w]e [ARIZONA GOLD] have ‘High Tech’ gold
4 & silver processing equipment that can extract gold at microscopic levels as well as increasing
5 extraction beyond what ore shows in assays from mine.” However, based on information and
6 belief, assays correctly performed by reputable laboratories would state the amount of precious
7 metals present in each sample, therefore; there would be no increase in the amount of precious
8 metals by using the equipment as represented by ARIZONA GOLD. For that to occur would be a
9 physical impossibility and a violation of the basic laws of chemistry and physics.

10 20. ROBERTSON represented to the Offeree that the investors would receive a return
11 from “all of the profits from the processed gold and silver that’s sold to the refinery.”

12 21. On April 6, 2012, the Arizona Corporation Commission issued a Temporary Cease
13 and Desist Order against RESPONDENTS. RESPONDENTS continued to offer and sell the
14 interests in Arizona Gold Processing LLC until at least July 23, 2012.

15 22. RESPONDENTS did not disclose to offerees or investors that, as of April 6, 2012,
16 they were subject to a temporary cease and desist order.

17 23. From December 2011 through July 23, 2012, RESPONDENTS raised
18 \$1,142,275.50 from *sixty-three investors* nationwide, including two Arizona residents.

19 II.

20 CONCLUSIONS OF LAW

21 1. The Commission has jurisdiction over this matter pursuant to Article XV of the
22 Arizona Constitution and the Securities Act.

23 2. Respondents offered or sold securities within or from Arizona, within the meaning
24 of A.R.S. §§ 44-1801(15), 44-1801(21), and 44-1801(26).

25 3. Respondents violated A.R.S. § 44-1841 by offering or selling securities that were
26 neither registered nor exempt from registration.

4. Respondents violated A.R.S. § 44-1842 by offering or selling securities while neither registered as dealers or salesmen nor exempt from registration.

5. Respondents violated A.R.S. § 44-1991 by (a) employing a device, scheme, or artifice to defraud, (b) making untrue statements or misleading omissions of material facts, or (c) engaging in transactions, practices, or courses of business that operate or would operate as a fraud or deceit.

a. Respondents misrepresented to at least one Offeree the ability of the processing equipment to obtain amounts of precious metals above what the assays show as recoverable.

b. Respondents failed to disclose to offerees and investors after April 6, 2012, that the Arizona Corporation Commission issued a Temporary Cease and Desist Order against Respondents.

6. Respondents' conduct is grounds for a cease and desist order pursuant to A.R.S. § 44-2032.

7. Respondents' conduct is grounds for an order of restitution pursuant to A.R.S. § 44-2032.

8. Respondents' conduct is grounds for administrative penalties under A.R.S. § 44-2036.

9. CHARLES L. ROBERTSON directly or indirectly controlled persons or entities within the meaning of A.R.S. § 44-1999, including but not limited to ARIZONA GOLD PROCESSING, LLC and AZGO, LLC. Therefore, CHARLES L. ROBERTSON is jointly and severally liable under A.R.S. § 44-1999 to the same extent as ARIZONA GOLD PROCESSING, LLC and AZGO, LLC for any violations of A.R.S. § 44-1991.

III.**ORDER**

IT IS FURTHER ORDERED that Respondents comply with the attached Consent to Entry of Order.

The Commission shall disburse the funds on a pro-rata basis to investors shown on the records of the Commission. Any restitution funds that the Commission cannot disburse because an investor refuses to accept such payment, or any restitution funds that cannot be disbursed to an investor because the investor is deceased and the Commission cannot reasonably identify and locate the deceased investor's spouse or natural children surviving at the time of the distribution, shall be disbursed on a pro-rata basis to the remaining investors shown on the records of the Commission. Any funds that the Commission determines it is unable to or cannot feasibly disburse shall be transferred to the general fund of the state of Arizona.

 6 applied to the restitution obligation. Upon payment in full of the restitution obligation, payments
 7 shall be applied to the penalty obligation.

8 IT IS FURTHER ORDERED, that if any Respondent fails to comply with this order, the
 9 Commission may bring further legal proceedings against that Respondent, including application to
 10 the superior court for an order of contempt.
